\$250/per month

Interments

- Interment charges are dependent on the time of the year (winter) and the day of the week of the burial. Please **inquire with the cemetery** for the prices for burials.

Additional Notes

1. A single grave lot is 3' x 10' and can accommodate either a single casket, a single casket and single cremains, or double cremains.
2. A single grave lot on Cobblestone Hill is 3' x 12' and can accommodate either a single casket, a single casket and two cremains, or three cremains.
3. The placement of single or double cremains and inscription of up to two names are included with a niche purchase.
4. The additional charge for winter interments will apply when more than four inches of frost or snow cover prevails.
